Howard French

China and Africa: Real Stories and Meta-Narratives

Howard French is professor of Journalism and Photography at Columbia University alongside his work as a correspondent for several newspapers. Currently, he is preparing a monograph on Chinese migration to Africa.

Within the scope of his lecture, he will discuss how the press traditionally treats the subject of China - Africa relations and explore his own attempts at an alternative approach, which is based on gathering the stories of Chinese migrants and the people they interact with.

The lecture will be held in English on:
